Dear Mr Kneebone

POLICY NUMBER: - 1993 Toyota Soarer

Your Comprehensive policy is due for renewal on 07/03/2006.

Establishing the value of imported vehicles is often difficult and to overcome this our Underwriting Guidelines, require a current valuation certificate for all vehicles imported into Australia.

Please arrange to have your vehicle valued by an independent authorised valuer and forward a copy of this valuation to us. Unfortunately this valuation must be at your expense.

Once this valuation is received, we will issue an invitation to renew the policy from 4pm 07/03/2006 to 4pm 07/04/2006.

We sincerely thank you for choosing HBF Insurance. If we can be of any further assistance, please contact one of our Underwriting Team on 9265 6571.

Yours sincerely

S Moorfield
